The Limelight

Celebrity photographer Patrick McMullan and philanthropist Jean Shafiroff's dinner at the Jue Lan Club in the old Limelight space came to a screeching halt, when 100 crashers charged up the staircase into his private room when word spread that Debbie Harry was there. Patrickmcmullan.com DJ Liam McMullan wore a silver Andy Warhol wig and "club kid" Richie Rich returned to the scene of many a debauched night he shared with Club Kid Killer Michale Alig. Among those dancing between courses were Yaz and Valentin Hernandez, interior designer Jacqueline Kent Cooke, Dr. David Fox and Jill Caruso, Anthony Hayden Guest, Michael Musto, Pat Hackett and celebrity nurse injector Jane Scher.
